Awadhपुरi, Agra, 282010, India

EDUCATION

June 2025	BTech in Computer Science (Hons.), GLA University, Mathura	(Percentage: 90.6%)
May 2020	Intermediate, Simpkins School, Agra	(Percentage: 82%)
May 2018	High School, Simpkins School, Agra	(Percentage: 96%)

INTERNSHIP/TRAINING EXPERIENCE

Cross Platform Application Developer (iOS/Android)	Jan 2024 - Apr 2024
BotsAPI LLC (Remote)	
- Developed an application RentPe for rent payments by tenants to landlords using Dwolla and Plaid APIs. - Developed a business card management application for ease of sharing contacts between business officials.	
Deep Learning Intern	Feb 2024 - Present
ChemBio AI (Remote)	
- Learned about various deep learning pre-trained models around Protein Sequence Generation. - Applied ProteinGAN and zymCTRL using Brenda dataset to generate thousands of protein sequences.	

PROJECTS

Banking System	Oct 2023 - Nov 2023
- Utilized JWT tokens and secure cookies for securing authentication and authorization of users. - Implemented a simple and easy-to-use user interface. - Used MERN stack to develop the core application and Python for NLP.	
SkillCraft – An EdTech web application	Feb 2024 - Mar 2024
https://skill-craft.onrender.com/	
- Utilized MERN stack to develop a course hosting website for users, instructors, and recruiters. - Containerised the application using Docker and Docker Compose to handle 2 containers, utilized Jenkins for CI/CD pipeline. - Used Tailwind CSS along with Material UI to develop the user interface and deployed the project on Render.com.	
ChatWave	Nov 2022
- Used Flutter and Dart to build a chat application for Android and iOS. - Implemented Firebase and FirebaseAuth features to make conversations and authentication secure.	

SKILLS

Technical Skills	MongoDB, ExpressJS, ReactJS, NodeJS, Dart, Flutter, Python, CNN, NLP, Pre-Trained Models, LLMs
Soft Skills	- Time Management Skills - Effective Communication Skills - Ability to Identify and Solve Problems

ACHIEVEMENTS

- Secured **2nd rank** in Brewing Codes Hackathon, **MUIT Noida and UpGrad, 2023**.
- Secured **3rd rank** in AI BioInnovate Challenge, **Prometeo 2024, IIT Jodhpur and ChemBioAI** and secured a PPI.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
